THE STRATEGY ON THIS SHEET

Rushing a crossing is how you finish on the wrong line, and a wrong line costs far more than the second it saved. Keep the speed in the clear stretches.

- 1 Follow each line to its letter. Write the letter in the box. Time the whole sheet.

TIME TAKEN

__ : __

PERSONAL BEST

__ : __

Trains: smooth pursuit, processing speed

Repeat in three days, not tomorrow — spacing is the point

Answer Key

LOS-8.3 · Tangle Sprint · for the adult marking

EVERY LINE FOLLOWED TO ITS END

1 → O	2 → H	3 → B	4 → T	5 → I	6 → L	7 → F	8 → Q	9 → R	10 → S	11 → V
12 → J	13 → G	14 → P	15 → M	16 → D	17 → N	18 → A	19 → U	20 → E	21 → C	22 → K

A line lost at a crossing is a pursuit slip. A line followed correctly but written in the wrong box is a recording slip, not an eye-movement one.
